This map was produced for *Christopher Trotter: Animated Steel*, touring throughout Queensland in 2011-12 as part of Queensland Art Council's 50th Anniversary Year.

Queensland Arts Council's Exhibitions bring quality visual arts into regional and remote areas, supporting Queensland artists and communities in celebrating their creativity and diversity.

Animated Steel is presented by Queensland Arts Council, developed in collaboration with Christopher Trotter and supported Tim Fairfax Family Foundation, Sims Metal and Xtroll.

For more information on *Animated Steel* or Queensland Arts Council Exhibitions visit www.qac.org.au
